STORIES REQUESTED:

1. I am looking for stories from **female victims of crime**. I want to know what happened, how they have recovered and if it could have been prevented. My name is Carla Thompson, they can contact me at carla.t@comcast.net or www.thebusywomanspocketguide.com.
Carla M. Thompson, Ladies First Publishing, LLC

2. I am trying to flesh out my book about **a school boy in an all boys school** (secondary). He would be about 16/17 and has been broken in the past by a dysfunctional home. He is now coming up through the ranks, having 'dug' himself out of the 'gardening' class and is in a normal academic stream. The book is set in **Salisbury, Rhodesia** in the years +- 1957-1961.

RUGBY is one of his saving graces and I would like a school boy game with him (JP) scoring the winning try at the end of a very exciting game. The next game was when he brought his team to glory at a University (of Rhodesia & Nyasaland) rugby match. They were now playing 1st League against major 1st League clubs.

--Prue Hare, poodle2@yebo.co.za

3. I am writing a book about **dealing with the death of a loved one**. I'd like to receive stories about how you dealt with the grief. Also, would like to know if you've had any visitations from this person. Have you experienced any strange occurrences - such as finding items moved, pictures tilted, hearing noises in your home? Also, would like to know how long you were married or with this person. The book is tentatively titled "Ramblings of a Widow". Thank you for your input.

--Carol Bilodeau, writingforfun2010@gmail.com.

4. I need help for my next book. I need reasons **why people make you angry**. Or things that make you angry. **Also** looking for true stories of **Born Again testimonies** of how the Lord changed you and transformed your anger into a loving forgiving person and how this transformation has helped relieve deep inner hurts and scars from your past.

Send 500-1500 word writings to info@godisthesolution.com

Also, visit my website at: <http://godisthesolution.com> or call me for more information: (309) 387-8003 Thank you very much.

--Debra Capperrune

5. **Working on your goals?** What do you want to have, what want to do or the person you want to be? Have you gone from couch potato to running your first 5K? Moved into your dream home or landed your ideal job? Maybe you had your first art show or tried sky diving. Any goals you are working on or a short story about how you achieved one of your goals would be greatly appreciated. Thank you in advance.

REVIEWS SELL BOOKS. Reviews make a book stand out. We can help each other by posting (five star) reviews at Amazon.com, B&N.com, BooksAMillion.com and other web sites.

IF YOU WOULD LIKE TO REVIEW BOOKS in your area of interest/expertise, contact the listing publisher directly with your Postal address. Do not send your request to Para Publishing. Please award the book at least four stars or decline to review it. A review with fewer stars is harmful to sales. The book you receive is yours to keep.

IF YOU WANT YOUR BOOK REVIEWED on Amazon.com, B&N.com, etc, list it here in Publishing Poynters Marketplace (no charge). You must be willing to send a book and promotional materials (review-book package) to readers of Publishing Poynters Marketplace who contact you. Make sure the book is already listed at Amazon.com.

Just send your request and description to DanPoynter@ParaPublishing.com.

Draft your request so that I do not have to edit it. Make it SHORT (100 words max), no italics or bold type. Just describe the book in a few words; don't send a lengthy review of it. Lengthy submissions will be returned for rewriting or ruthlessly cut. Reviewers only need enough information to see if they have expertise and an interest in your category. Supply full contact information including your email address. Write the draft as it should appear so that I do not have to do more than Copy\Paste. Put "Review Wanted" in the subject line.

11. BONE CHILLER

Winner: Bronze Medal, 2009 Independent Publisher Book Awards

From the author of *The Night Projectionist*, a vampire OGN published by Studio 407 and optioned for film by Myriad Pictures, comes an indie horror anthology where Man is the most feared monster of all.

BONE CHILLER is a "best of" anthology of Heske Horror's critically acclaimed **COLD BLOODED CHILLERS: Tales of Suburban Murder and Malice**. Featuring 8 great scares and 2 chilling extras, it is a book that has received eleven 5-star ratings already on Amazon.

There's an edge of Twilight Zone with a twist of Alfred Hitchcock about the stories in Heske's BONE CHILLER. And the art is stunningly beautiful, reminiscent of the horror art of the past.

12. 2012: FINAL PRAYER

An End Times Anthology

Heske Horror, the award-winning indie creator of BONE CHILLER, provides perhaps the most entertaining and engaging book on the 2012 phenomena.

2012: FINAL PRAYER is a collection of short graphic tales that provide diverse creative interpretations about what will happen on 12/21/12 at 11:11 GST - the end of the Mayan Long Count Calendar. With contributions from comic creators and horror writers from around the world, "2012: FINAL PRAYER is about as much fun as the apocalypse can be" raves Sebastian Piccione from Project Fanboy. Includes a Forward by Jim Harold, host of the Paranormal Podcast and essays from best-selling 2012 authors Marie D. Jones and Marshall Masters, plus a special "extras section" with Post-Apocalyptic tales.

"A dandy concept for graphic fiction that remains true to James Warren's independent spirit, with illustrated stories a bit edgier than the mainstream. I'd much rather re-read this book a third time than watch Roland Emmerich's movie even once."

13. *Nature's IQ - Extraordinary Animal Behaviors that Defy Evolution* (2009)

By Tasi and Hornyanszky

Nature's IQ confronts us with many wonders of nature that Darwinists fail to explain in any strictly scientific fashion. Using 200 fascinating color photos, *Nature's IQ* cites over 100 behavioral phenomena from the animal kingdom that are unexplainable by evolution.

The authors give the reader good reasons to question Darwinian dogma as an valid explanation. They demonstrate that truly scientific explanations have not been given, and that in principle they cannot be given. They breathe new life into the design argument in biology, particularly with regard to the complex behavior displayed by many living things.

Synopsis: Enter a world where people do not believe in fantasy but where each night their spirits travel to a parallel earth shifted in time and inhabited by elves, trolls, fairies and other mythical creatures. Just like dreams, these people have little or fuzzy memories of their nightly travels in the realm of fantasy. However, one summer night something strange happened that changed all this and signaled the merger of the world of fantasy and reality. *The Past And Future King* is about an ordinary lad named Tom who has an unusual love of reading. He befriends an old scribe named Willet who introduces him to fantasy books which are generally frowned upon in Tom's village. Soon the images in these fantasy books begin to captivate Tom until he is directed by Willet to visit a lake near his village where Tom sees himself drown in a recurring dream. Tom is threatened by wolves and decides to jump into this lake where he is drawn into a vortex and enters a parallel earth where dreams become reality. In this world, Tom is helped by elves and he is given a magical stone to help him fulfill ancient prophesies about becoming a Son of Light. According to these prophesies, the Sons of Light herald the merger of the parallel earths to form one new one in which *The Past And Future King* will return and evil will be vanquished forever.
